

RE LANDSCAPES INC.

Tel: 845.277.3777 • Fax: 845.277.3778

MAINTENANCE DREDGE METHOD UTILIZES REMOVAL OF SEDIMENT ONLY

- Gentle Approach With Less Disturbance
- Less Expensive & Easier To Apply For Permits
- Improves Waterways, Oxygen Flow & Reduces Vegetation/Weeds
- Creates Healthier Environmental & Fresh Water Reserves For Wetlands & Watershed Preserves
- Friendly To Neighbors
- Dredge Process Uses Best Erosion Control Practices
